First Church of Christ Scientist, Concord, N. H. 20

83220

The building is of granite in the style of the Gothic Revival. Its structure is cruciform, with a square tower surmounted by a high and ornate steeple in the front. The main facade is embellished with three arched doorways supported by Corinthian columns, and a rose window. The church was erected in 1905 by Mrs. Mary Baker Eddy. It houses an auditorium and a library.
